GUESS WHAT?

I am the gossip - mean
I lie about everything that I see
I only see what I want to see
I don't deny what you hear from me

Guess what?
Guess who's knocked up?
Guess who went to bed?
Guess who loves you?
Guess who hates your guts?
Guess who adores you?

Nothing can escape my eyes
Can't fool me with your lies
There's not a story I haven't heard
The latest scoop I know every word

Guess what?
Guess what?
Guess who told me you passed out on the floor?
Guess who took you out the door?
Guess who won't take my shit anymore?
Is it true you won't take my shit anymore?

SKATEBOARD

Frontside air - you beef
Backside air - you beef
Ollie Pop - you beef
You fall down - you bleed

Brian

Frontside air - six feet
Backside air - six feet
Ollie Pop - six feet

Skateboard is all I do
Skateboard is better than you
Acid drop the deep end
Contorted andrecht I win

GREAT EQUILIZER

We'd like to thank you Uncle Ron
You went out and dropped the bomb
Too bad you aren't still alive
It's a war where the fittest survive

No more fashion conspiracies
No more football games with stupid preppies
Credit cards, melted alligators turned
This is Reagan's world, now you learn
Bands of skaters in roving packs
We had the adaptability that you lacked
Anarchy prevails you rule us no more
Now it's our turn to even the score

We'd like to thank you Uncle Ron
Now you're dead and society is gone
Thanks for killing the blind fool
Thanks for getting rid of your rules

KICK YOU

For 17 years you hated me
You never cared about me
Now that you're done and your life is through
Here's my chance to kick you

You laugh when you see a dog die
But when everything's alright you cry
You laugh at everything I do
Here's my chance to kick you

When the shit is in your face
When everyone hates you everywhere
That's when I take my cue
Here's my chance to kick you

When I feel good you put me down
You never want me around
Now I'm feeling the same way about you
Here's my chance to kick you

Kick You
